HISTORICAL PHOTO MYSTERIES ENTICE  
SDHC'S AUG. 12 PUBLIC ZOOM PROGRAM

JULY 31 2020 -- "Community Mysteries Unraveled" will challenge the best of local memories at SDHC's next free public monthly program on Wednesday, August 12. The program starts at 7 p.m., and breaking with SDHC's Old School House venue traditions due to current Coronavirus protective measures, will be conducted virtually via Zoom.

Participation is free and the public is invited, welcoming comments from those in the audience who may have relevant family stories or memorabilia to share. Interested participants will need to register in advance online at [tinyurl.com/SDHC-TT-8-12](http://tinyurl.com/SDHC-TT-8-12), in order to receive instructions for joining the Zoom program. Questions regarding online registration procedures may be e-mailed to [info@sdhistoricalsociety.org](mailto:info@sdhistoricalsociety.org).

Presenter and longtime SDHC volunteer historian/archivist Jack Sheridan will share 31 photos gleaned from the SDHC archives and captioned in question / answer pairs. After each question-captioned image is shown, viewers will be invited to respond before its answer-captioned image appears. As creator of the "Tripping Through Time" photo-feature seen weekly in *The Commercial Record*, Sheridan undoubtedly will add what is known about his photos' connection to Saugatuck area history.

Saugatuck-Douglas History Center's free monthly program series presents entertaining and informative insights into local history and community life. This month's program is sponsored by SDHC members Bill Hess and Mike Mattern.
